

*So far I didn't have any problems in getting your products to work and they even exceeded our expectations. I am going to try your sample of **MegaMix-Blue** this week and we may find it right for our needs as well.*

I would like to recommend your products to my professor and colleagues.

Lukasz Tymo, CABI Europe, Surrey

*I must admit the **MMG** has worked well when other mixes have failed.*

Christopher Smith, Cardiff University
